

To ensure flight safety, all passengers seated in exit row seats must meet ALL of the following requirements:

1. The age ranges from 15 to 60 years old.
2. No assistance is required from others or flight attendants during the flight.
3. Good health, not pregnant, not accompanying children or pets, no requirement for extended seat belt (due to large body size).
4. Capable of reading and understanding written or visual instructions for emergency evacuation. Capable of understanding and following crew directions.
5. Capable and willing to aid other passengers and crew in an emergency or during an evacuation if required.

Important notes:

- To ensure quick evacuation, passengers situated in exit rows must help in the case of an emergency evacuation by following crew instructions. Carry-on baggage must not be placed underfoot or on laps during take-off or landing.
- Please read carefully and ensure that all passengers fulfill the above requirements before clicking "Confirm and select seats" to advance to the next steps. If you do not meet any of the above conditions, please cancel your seat selection. We reserve the right to relocate your seat to another place within the same service cabin if you do not meet any of the conditions listed above.
- The cabin crew reserves the right to re-arrange seating if they have any doubts about your capacity to assist in an emergency.

Thank you for your cooperation.
